

*His Holiness Dudjom Rinpoche's Wish
Message to the Troma Retreat at Orgyen Dorje Den*

Venerable Gyatrul Rinpoche

February 17th, 2019

During the 2019 Troma Retreat led by Sangye Khandro at O.D.D., Rinpoche was very pleased to see photos and hear reports of the practices and teachings taking place. He sent the following message to the retreat participants:

Whoa, Thank You!

Hello everyone in the sangha, hopefully you do understand and appreciate what you are doing.

Through this, now, in the future and in the next life you can benefit other sentient beings and benefit yourself. Really you guys, just doing one session of (Troma practice) is worth more than one hundred million dollars. This is according to H.H. Dalai Lama, to H.H. Dudjom Rinpoche and H.H. Karmapa, the Nyingmapa masters and according to Buddhism. When they tell us this is of great benefit, they don't need to lie or cheat.

Therefore, I'm so happy, thank you. You didn't waste your opportunity to cleanse. You didn't pretend handsome—hiding, pretending pretty—hiding, pretending rich—hiding. What you are doing now is the real wealth because it benefits this life and benefits the next life. You can benefit other sentient beings. If you have a little money—so what? Maybe the benefit of that is becoming sort of egotistical and proud, it doesn't benefit the next life. But you guys doing so wonderful, Thank You! This is H.H. Dudjom Rinpoche's wish!
